Deputy Commissioner, Polar District

To

The Revenue Adviser, Esquire, B.A., I.C.S.

Secretary to the Government of Ingrave,

Revenue Department, Bungalore.

Sir,

I have the honour to submit herewith the entire correspondence in connection with the proposed levy of toll on vehicles and animals that enter the Chief Village Municipal limits and to state that the subject having been brought up was discussed by the Council at a meeting held on 28.4.22. It was resolved that the toll in question should be levied to augment the resources of the Municipality.

2. Accordingly a notice to this effect together with the schedule was published in the Mysore Gazette dated 13.7.1922 calling for objections, if any, within one month from the date of notice. Only two petitions having been received one from the citizens of Vadivenkatalli and the other from the townspeople of Chikkatalli, the matter was duly considered by the Council at a meeting held on 28.4.1922 and it was resolved that the objection raised therein were not a reasonable one and the bye-law with the objection petitions may be submitted to Government for sanction.

3. As the Municipal Council have many projects before them for the improvement of the town which involve heavy expenditure it is very necessary to better their financial condition.

4. Under the circumstances I request you to be so good as to kindly obtain sanction of Government to the proposed toll on the vehicles and animals entering the Municipal limits.
